HORSE/PONY DETAILS

Horse's Name:

Horse Age and Height:

Date of last flu vaccination:

Any other information we should be aware of:

Please make sure that the horses/ponies that are coming to camp, are fit enough and if shod, have been done close to camp dates and preferably with stud holes.

Please make us aware if rider or horse have had any recent injuries.

Please make your child aware, that correct footwear MUST be worn at all times in the stable area.

This year we will be doing the catering ourselves. Please can members bring their own cutlery, plates and cups etc. We will also be camping again, so children will need tents and to share with others.

Whilst every possible care is taken, the camp staff and volunteers cannot be held responsible for any damage or accident sustained by members or their ponies whilst at camp. We are unable to accept responsibility if your children leave Rectory Farm grounds unaccompanied; alcoholic drinks, smoking and vaping are strictly forbidden. For the safety of all members, we will send children home if these rules are broken or if behaviour is unacceptable.

I undertake not to hold camp staff and helpers responsible for any accident or damage to either child or pony/horse whilst at camp.

Signed parent/guardian Date

PC Member Name

**We need to leave camping area and stable areas clean and tidy on departure,
so can parents please be available on the last day to help camp volunteers ensure this is done.**

Please list any special requests below including requests for activities/ ridden work/ anything else.

It would also be helpful to know prior to camp, if your child has qualified for either of the PC Championships, so we can help them work towards their dressage tests, (let us know which dressage tests), or any other areas that we can help them with.
